ALL NATURE EXPERIENCE

Previously branded as the Xcalacoco Experience, the eco activities program at **SANDOS CARACOL ECO RESORT** has now been renamed the **ALL-NATURE EXPERIENCE** to emphasize the nature-related experiences that have always characterized the Playa del Carmen hotel. These eco activities allow guests to explore and learn about the property's on-site ecosystems throughout the week, tied together by a Maya love story... During their stay, guests can witness this love story unfold across three nighttime ceremonies every week in the resort's most scenic natural locations. All this is part of the hotel's all inclusive plan.

The previous Xcalacoco Experience had over 40 distinct activities, requiring more time to participate in them all. The new All-Nature Experience takes a different approach, with the slogan **“AN EXPERIENCE FOR EVERYONE”** and seven **DAILY THEMED TOURS**, one for each day of the week. Guests can now choose the theme that best suits their vacation style to experience several related eco activities tied into one tour:

- The Soul of Nature
- Water World
- Adventure
- Ancient Maya Cooking
- Magic Village
- Maya World
- Nature and Survival

In addition, the resort's most beloved eco activities will remain available separately from the theme tours, including swimming in the Jade River, Animal Keeper, Eco Tours, the Sensory Experience, swimming in the cenote, the bike path, the romantic boat ride, and underground Maya cooking.

INCLUDING A SPECTACULAR YEARLY EVENT to celebrate the Day of the Dead on November 1st and 2nd.
